Influence of an autobiographical memory recollection on moral decision-making

**Please initial box**

I agree to take part in the above mentioned research.

I understand that my participation is voluntary and that I am free to withdraw at any time, without providing a reason.

I confirm that I have read and understand the information sheet for the above study and have had the opportunity to ask questions.

I understand that my experimental data could be anonymised and shared online with the scientific community.

I understand that as part of this experiment I might be asked to recall a personal memory that might be of a distressing nature, and I am happy to continue.
