

Variable name	Description
1. StartDate	Start date of filling out the survey
2. EndDate	End date of filling out the survey
3. IPAddress	IP address of the participant
4. Progress	Indication of survey progress
5. Duration_in_seconds_	Duration of filling out the survey in seconds
6. Finish	Indication of survey completion
7. RecordedDate	Date of recording collected data
8. ResponseID	Random ID code of each response
9. LocationLatitude	Location coordinates of internet provider
10. LocationLongitude	Location coordinates of internet provider
11. DistributionChannel	The type of link used to access the survey
12. UserLanguage	The language in which survey was completed
13. Consent_1	Providing consent on first statement
14. Consent_2	Providing consent on second statement
15. Consent_3	Providing consent on third statement
16. Consent_4	Providing consent on fourth statement
17. Consent_5	Providing consent on fifth statement
18. Age	Participants age
19. Gender	Participants gender
20. Nationality	Participants nationality – either British or other
21. Nationality_specific	Participants nationality
22. Nationality_ID	Numeric value assigned to nationality for later categorisation
23. Country_of_residence	Country of residence
24. EnglishFirstorSecond	English language type – native or second language
25. Proficiency_level	English language proficiency level
26. Fluency	Self-reported fluency of English language
27. FirstLanguageMem	First language memory text box
28. SecondLanguageMem	Second language memory text box
29. Memory_type	Memory type identification – first or second language
30. Bad	How bad a participants feels about the memory
31. GuiltR	How guilty a participants feels about the memory –reverse scored
32. Regret	How much a participant regrets their shared actions
33. PS_beh	Pro-social behaviour measure
34. PS1	Pro-social behaviour inclination scenario 1
35. PS2	Pro-social behaviour inclination scenario 2
36. PS3	Pro-social behaviour inclination scenario 3
37. PS4	Pro-social behaviour inclination scenario 4
38. PS5	Pro-social behaviour inclination scenario 5

39. MuncerLing_Cog_1	Statement 1 of EQ (cognitive empathy) measure
40. MuncerLing_Cog_1	Statement 2 of EQ (cognitive empathy) measure
41. MuncerLing_Cog_1	Statement 3 of EQ (cognitive empathy) measure
42. MuncerLing_Cog_1	Statement 4 of EQ (cognitive empathy) measure
43. MuncerLing_Cog_1	Statement 5 of EQ (cognitive empathy) measure
44. MuncerLing_Social_6	Statement 6 of EQ (social skills) measure
45. MuncerLing_Social_7	Statement 7 of EQ (social skills) measure
46. MuncerLing_Social_8	Statement 8 of EQ (social skills) measure
47. MuncerLing_Social_9	Statement 9 of EQ (social skills) measure
48. MuncerLing_Social_10	Statement 10 of EQ (social skills) measure
49. MuncerLing_Social_11	Statement 11 of EQ (social skills) measure
50. MuncerLing_EmoRea_12	Statement 12 of EQ (emotional reactivity) measure
51. MuncerLing_EmoRea_13	Statement 13 of EQ (emotional reactivity) measure
52. MuncerLing_EmoRea_14	Statement 14 of EQ (emotional reactivity) measure
53. MuncerLing_EmoRea_15	Statement 15 of EQ (emotional reactivity) measure
54. MuncerLing_Social_6R	Statement 6 of EQ (social skills) measure – reverse scored
55. MuncerLing_Social_7R	Statement 7 of EQ (social skills) measure – reverse scored
56. MuncerLing_Social_8R	Statement 8 of EQ (social skills) measure – reverse scored
57. MuncerLing_Social_9R	Statement 9 of EQ (social skills) measure – reverse scored
58. MuncerLing_EmoRea_12R	Statement 12 of EQ (emotional reactivity) measure – reverse scored
59. MuncerLing_EmoRea_13R	Statement 13 of EQ (emotional reactivity) measure – reverse scored
60. MuncerLing_EmoRea_14R	Statement 14 of EQ (emotional reactivity) measure – reverse scored
61. Total_Guiltscore_R	Total score of guilt measure
62. Total_Empathy_score	Total score of empathy measure
63. Total_Prosocial_inl_Score	Total score of pro-social behaviour inclination measure
